

Develop culturally proficient policies and practices that create opportunities for students of poverty! Countering the perspective that students from poverty come to school with deficits that prevent them from learning, this resource offers educators the knowledge and skills to maximize educational opportunities for all students, independent of students'™ socioeconomic status. Using the framework of cultural proficiency, this guide features: An examination of how poverty intersects with other groupings, including race, ethnicity, and language acquisition Research-based teaching strategies that draw on student strengths and assets Vignettes and case studies Reflective activities for understanding your own assumptions and values regarding equity

The complete book of herbs & spices, Haematology in Critical Care, Basic Concepts of EKG: A Simplified Approach, Lexico de matematicas / Lexico Math (Diccionarios Para La Ensenanza) (Spanish Edition), Chamber Symphony: (Score), Phone Power, Problem-Solving Therapy, Meals That Heal for Babies and Toddlers,
