

“Double double, toil and trouble, round about the cauldron go. In the crushed brains and spinal cord throw, thalamus, spleen, and tonsils also, then cool it with tainted Blood, Well done, for we shall gain a greater Profit to share with the farmers, and our meat trade. A factual and harrowing account of Mark Bucklands, a young mans, progressive decline by variant Creutzfeldt-Jakob Disease (vCJD), the human form of BSE; namely “Mad Cows disease. This book documents the shocking failures by a conservative Government when it came to food safety standards, a cannibalistic feed that defied nature and led to a misfolded protein causing an infectious brain disease, and failures by the NHS and Department of Health regarding the NHS Blood Transfusion Service. This is also a tale of a fathers grief, family and friends who pull together in a tragic time to support a special, loving and caring man, who has his life spat out by the “Witches within Westminster.
